They had met there almost on a daily basis for breakfast but at no time was he in a position to furnish any information regarding whatever matters might have been discussed by this group.

On December 9, 1963, Chief CLARENCE EMERICKSON, Niles Police Department, Niles, Illinois, advised that he had very little information regarding Sunshine's Restaurant or any of the individuals meeting there. He stated he was not familiar with the frequency which any members of the ROSS PRIO group may have met there. On December 27, 1963, SAs SIMON and [] attempted to interview HENRY KUSHNER at his place of business, the A. Abbot Store Fixture Company, 615 North Clark Street, in Chicago. He was reluctant to say anything about any of his business dealings and continually stated, "I don't know why you are asking me this, I have nothing to say." KUSHNER allegedly together with [] have the entire horse book on the near North Side, which they are running for DI VARCO and PRIO.

On December 27, 1963, JOSEPH VINCENT DI VARCO was contacted at the A. Abbot Store Fixture Company, 615 North Clark Street, at which time DI VARCO entered into a conversation stating that he together with [] and HENRY KUSHNER formed a new company. This company is the G&K Associates, Inc., maintaining their offices at the same location, that is, 615 North Clark Street. The primary purpose of this company is that it acts as a prime contractor for remodeling jobs of restaurants. All of the actual work is let out by G&K to various subcontractors and DI VARCO stated, "All I'm interested in is selling the store fixtures, such as commercial refrigerators and stoves. We set the company up for that purpose. We don't do any of the actual construction, just sell the fixtures."

DI VARCO was asked if he knew [] also an associate of ANTHONY DEMONTE, and DI VARCO at first stated he did not. He was then asked if he knew [] or [] and he said, "Oh, you mean that [] I didn't know his first name was [] He declined to discuss [] any further."

DI VARCO said that TONY MACK (ANTHONY DE MONTE) was still in Chicago and in response to a question regarding TONY MACK retiring, DI VARCO said "how could he retire? On what? He's a working man like me." He declined to amplify this statement.

On January 13, 1964, [redacted] was recontacted at which time he stated that none of the ROSS PRIO group including ANTHONY DE MONTE had been meeting at Sunshine's as he had previously stated, for some time. [redacted] stated that because of the "heat" placed on Sunshine's Restaurant by various investigating agencies, he was sure that the ROSS PRIO group would not return. [redacted] said that it was his understanding that so much "heat" had been generated by the Cook County Police against various members of the hoodlum element living in the suburbs that most of them were returning to the city.

On January 21, 1964, SA DUNCAN J. EVERETTE observed a late model Buick convertible, a sky blue body and top, bearing 1968 [redacted] being driven by FRANK ORLANDO. The following investigation was conducted by SA

On 6/9/64, [redacted] U. S. Customs, Greater Buffalo International Airport, Buffalo, N. Y., made available his records of arrivals of flights from Canada into Buffalo for the period 3/15 - 4/15/64. A review of these records failed to disclose by aircraft number and name of pilot that Cessna 172, Identification No. [redacted] made any flight from Canada to the United States during this period.

[redacted] Receptionist, Buffalo Aeronautical Corporation, advised on 6/9/64, that her firm handles aircraft servicing and maintains flight records on private and unchartered flights to and from Buffalo. She made available her records for the period 3/17-4/10/64. A review of these records by plane identification number and pilot's name failed to disclose flight to or from Buffalo of Cessna 172, Identification No. [redacted]

On 7/1/64, [redacted] INS, Buffalo, N. Y., advised his office would have no record of this flight inasmuch as flights of six persons or less are not reported to and recorded by INS, Buffalo. He stated, however, that the Air Detail Office of the U.S. Border Patrol, Detroit, Michigan, maintains records of all private planes entering the United States and landing along the northern border of the United States.

stated that the police were pushing their inquiry into the gang slayings of CHARLES GIOE and FRANK MARITOTE, aka Diamond. The article stated that GIOE tried to muscle into a handbook wire service in the Chicago Avenue district, relating that until recently handbook information was nondescript, compelling patrons to wait about 45 minutes for the result of a race. It was believed by the Chicago Division that TONY MACCALUCCI, also known as TONY MAC, was possibly identical to ANTHONY DE MONTE, also known as TONY MACK. DE MONTE, who has been a long time associate or member of the "Chicago outfit" - including ROSS PRIO, JOSEPH DI VARCO, JAMES ALLEGRETTI and others, reportedly connected with the north side element, appeared to be the most logical individual.

Subsequently, on August 26, 1964, CG T-1 was exhibited the photograph of ANTHONY DE MONTE and CG T-1 immediately recognized DE MONTE as TONY MACK. CG T-1 then stated that it was believed that the last name of DE MONTE was MACCALUCCI and through differences in pronunciation it was apparent that DE MONTE's alias of MACALUSO would be the same name.

CG T-1 has furnished information that [] appeared very close to TONY MACK but the exact relationship is unknown.

Contact with MARTIN BECK

The Springfield Division furnished information on November 17, 1965, that MARTIN R. BECK is the incumbent Chief of Police of Central City, Illinois, and is Township Supervisor for his township.

Mr. BECK was contacted, at which time he advised that he does, in fact, have Illinois License PD 1194, issued to him. Mr. BECK had only one occasion to be away from the Centralia and Central City area. This was when he went to Los Angeles, California, recently to visit his son. He returned from California about the middle of October, 1965, and to his knowledge his car has not been away from the area again.

Mr. BECK stated that he purchased his present automobile, a 1964 brown Oldsmobile 88 Dynamic, late in 1964 and had his license transferred from a Chevrolet he previously owned.

Mr. BECK continued, he has not been in the Chicago area for more than ten years and had no idea how his license could have been used, as previously reported.

The Springfield Division furnished information that Mr. BECK is generally considered of excellent reputation by City Officials of Centralia and County Officials of Marion County, Illinois.

The following investigation was conducted by
IC JOSEPH D. HAMMITT:

Investigation to attempt to verify the birth date of the captioned individual has been unproductive. DE MONTE was born 11/7/03, in either New Orleans, Louisiana, or Chicago, Illinois. Central Office Records of Immigration and Naturalization, Washington, D.C., reflect that FRANCESCO DAMANTA, aka Francesco De Monte, and MARIA DIADORA, both born in Palermo, Italy, entered the United States legally. Investigation at New Orleans, St. Bernard Parish, Louisiana, reflects that FRANCESCO DAMANTE and MARIA DIADORA were married there March 30, 1902. Subsequent logical investigation in New Orleans failed to reflect that the captioned individual's birth is a matter of record. The Bureau of Vital Statistics, Chicago, Illinois, failed to reflect records of the birth.

Investigation reflected that the issue of the above marriage resulted in the following children: FRANCES, dob 4/4/06, Chicago; NINA, dob 9/23/09, Chicago; PHILIP, dob 11/18/12, Chicago; [redacted] Chicago; [redacted] Chicago; [redacted] Chicago. Re New Orleans letter to Chicago dated 5/23/66.

For the information of the New Orleans Office, the following is being set forth.

In addition to the investigation conducted by New Orleans in an effort to verify the subject's birth, records of the Bureau of Vital Statistics, Chicago, Ill., for the County of Cook, the Illinois Bureau of Vital Statistics, State Department of Public Health, Springfield, Illinois, the Central Office of Immigration and Naturalization Service, Washington, D.C., as well as Immigration and Naturalization Service, Chicago, Ill., have been checked without effecting a birth record or baptismal record for the subject. The records of Immigration and Naturalization Service, Chicago, reflect that the subject was born November 7, 1903, in New Orleans, Louisiana, which they have been unable to verify.

It is possible, even taking into consideration that the subject's father entered the United States, July 4, 1899 and his mother was admitted into the United States on November 2, 1898, both at New Orleans, that the subject is an alien.

Dr. MICHAEL E. DE BAKEY was contacted 1/19/68 in his office at the Methodist Hospital in Houston, Texas, following several unsuccessful attempts.

Dr. DE BAKEY advised the subject was confined to the hospital from 6/25/67 to 7/11/67 following an operation for the same problems concerning his aorta. He stated his only knowledge of the subject is that he was referred to him by L. A. MACALUSO, M.D., 4753 Broadway, Chicago, Illinois. Dr. DE BAKEY advised that his patients are advised to return for a checkup from 6 months to a year following their discharge, but that to date he has heard nothing from DE MONTE. In the event DE MONTE fails to contact him by July, 1968, he will probably contact DE MONTE's personal doctor. He suggested contact be made with Dr. MACALUSO for recent information concerning DE MONTE's condition.
